

# RITE NOW @ ROP

---

For the 13th consecutive year, Canyon State Academy's student government and culinary students were honored with the opportunity to cater the Arizona State Legislative Luncheon on the Senate lawn. Canyon State students served delicious culinary creations to nearly 400 members of the Arizona State Legislature and their staff--a way of saying "thank you" for their dedication and hard work on behalf of the people of Arizona.

For the second year in a row, four young ladies from Desert Lily Academy, who are part of the culinary training program at Canyon State's QC Junction Café, joined the catering team to serve beverages and desserts. Canyon State's culinary students were excited to take the opportunity to greet, serve, share a few words, and have their pictures taken with Senators and Representatives, which added immense value to the already unforgettable experience. The students were invited to the House of Representative's gallery where they witnessed a live vote before being recognized by State Representative Warren Peterson (District 12).

Martin Luther King, Jr. once said, "Intelligence plus character - that is the goal of true education." Canyon State Academy and Desert Lily Academy take that responsibility seriously and values the trust and confidence that our State has placed in us as we care for Arizona's future leaders.
